ABOUT US

CREATIVE THINKING. FUNCTIONAL SPACES.

OUR STORY

Piccado Living is committed to delivering a comprehensive range of services, including Design and Build Solutions, Fit-Out Works, MEP Services and General Maintenance. From the very beginning, our vision has been to bring together a team of passionate professionals dedicated to transforming ideas into creative, functional spaces.

OUR APPROACH

As we have grown, each project has become an opportunity to craft environments that not only meet our clients' needs but also inspire everyone who experiences them. We blend creativity with practicality, ensuring every design reflects both purpose and beauty.

OUR STANDARD

Today, every project represents a chance to set new standards - combining craftsmanship, artistic innovation and meticulous attention to detail to deliver spaces that are truly inspiring and impactful.

OUR DIRECTION

CRAFTING TOMORROW'S INSPIRED SPACES.

OUR VISION

We aspire to lead the industry by delivering experiences where innovation meets purposeful design. Through advanced tools and smart techniques, we bring ideas to life - crafting environments defined by beauty, creativity and meticulous attention to detail.

OUR MISSION

We craft solutions that blend creativity with efficiency, build trusted partnerships and deliver results defined by innovation and excellence.

INTEGRATED SERVICES. ONE STANDARD.

01

INTERIOR FIT-OUT

Complete solutions that transform empty spaces into functional, beautifully finished environments.

02

DESIGN & BUILD

End-to-end design and construction, turning concepts into reality through seamless coordination.

03
